

NEW SHIFTS ONE VISION

Learn about key changes under way in our schools & help our community be empowered to join you in taking action.

What successes and challenges do our public schools face this year? From implementing higher standards and adjusting to new school grades to talking about changes to school programs and boundaries, community members have a lot to talk about.

- Q & A with students, educators and Superintendent Nikolai Vitti
- Brainstorm ways to ensure community voice is heard
- Participate in small group discussions
- Find out about opportunities to get involved
